

U.S. Department of Labor

Mine Safety and Health Administration

MSHA's Small Mine Office—Serving the small mines in America

Week 35

Location: _____ Supervisor: _____

Date: _____ Time: _____ Duration: _____

1) Accidents Don't Just Happen

- Check the work area for hazards before starting your job
- Check your equipment for any defects
- Keep your local radio communication in good working order

2) Attitude

- Have a good attitude when following directions
- Keep a good attitude when things don't go your way
- Demonstrate a positive, courteous, and respectful attitude when talking to your co-workers, supervisors, or those you supervise

3) Eyes

- To people this is their most precious possession
- How sensitive and vulnerable they are
- Protect them at all times – wear your safety glasses
- Try using tinted safety glasses and sun visors to block out glare
- Use screens around welding areas to prevent flash burns to the eyes
